

Congratulations on successfully adding your debit card to mobile wallet!

You have successfully added to mobile wallet your Bank of Cave City Mastercard® debit card.

You can now use your Bank of Cave City debit card with Apple Pay, Google Pay and Samsung Pay, which lets you use your smartphone to pay in stores accepting contactless payments. You can also make purchases within participating apps.

Simply save your Bank of Cave City debit card as your default card in your mobile wallet and start using at any participating merchants today! Just look for one of these symbols at checkout:

Mobile wallet is safe and secure!

Card information is never stored on your device or shared with the merchant.

Fingerprint or passcode authentication ensures you are the only person who can pay using mobile wallet.

Real-time notifications and details for your mobile wallet purchases are provided.
